MANIFEST DESTINY REGATTA

August 30

SKIPPERS MEETING 11AM AT GRAND ELK MARINA!

Yes, you too can join the swelling ranks of Lake Granby Yacht Club members who've participated in our biggest race of the year. Fulfill YOUR destiny! Come join our flotilla as we race across and around the entire lake, ending with a celebratory end-of-season get-together at the home of Donnie & Dianna Helbich.

Club T-Shirts will be provided to attending members who have not yet received them. And if that's not reason enough to show up, Donnie & Dianna will be providing a truly monstrous pot of chili (the pot, not the chili). Everyone should bring an appropriate appetizer, dessert, or side dish to augment that fare.

The event will include an evening of sailing adventure tales, slides, and tips for potential cruisers. The in-depth seminar the following day will impart knowledge gained from the hard lessons of experience – that invaluable and possibly life-saving advice that can only come from those who've "been there" year after year, mile after mile, sea after sea.

Storm Tactics (1 hour)
Cost Control While You Cruise (1 hour)
Priorities for Confident Cruising (all day)

COMMODORE'S FUN RACE – 2003

In a return to purely FUN Commodore's Fun Races, a massive water-fight dominated the first leg. I think it's safe to say that no one escaped a thorough dousing. Though there were many lethal water-spewing crews swooping about, perhaps none were so mobile and effective as The Boys With The Bucket, here shown in their swanky blue raft, terrorizing the rest of us more placid members of the club.
