

2004 Spring Newsletter

Race schedule for 2004

Susan Caspers & Steve Pedersen, our Race Co-Chairpersons have announced the race schedule for 2004. It's a full schedule with races every other week. Plenty of chances for lots of competition and camaraderie.

June 26 Races 1& 2

July 3 Races 3 & 4

July 17 Commodore's Race

July 31 Races 5 & 6

August 14 Races 7 & 8

August 28 Manifest Race

Spring Barbecue

Our first social event of the Sailing season will be the Spring Barbecue on June 26. It will follow the races, but remember that you don't have to race to come. Look for more information on the events page as we get closer.

Hardwater Regatta

The Hardwater Regatta was held last month on April 3 at Carolines Cuisine. As is usual at Lake Granby Yacht Club events, a good time was had by all, and an even more good time had by some. Some business was conducted, which will be discussed in the minutes of that meeting once they are compiled and proper disclosures are incorporated.

More important, outgoing Commodore Karen Baldwin was recognized for her outstanding effort over the past year, and much more pointedly, for her incredible organization of the Lin & Larry Pardey seminar in February. Not only did this event improve the financial situation of our club, it gave us the opportunity to give a substantial contribution to Community Sailing of Colorado, which encourages sailing to disadvantaged youths in the Front Range. But most important, it gave us all, LGYC members and the other attendees, a great education of the greater world of Sailing.

Mike LaPorte Retires

Not exactly a retiring person, Mike LaPorte has returned the abacus after 10 years of service as our Treasurer. Having seen us through deep and shallow over this incredibly lengthy cruise, it is hard

to believe that we will have to sail on without his capable celestial fixes and navigation. We will miss you, Skipper.

Terry Pratt is our new Treasurer and is excited about keeping our club on course. He is also the winner of last years Manifest race and looks forward to defending his trophy.

Lake Granby Lake Levels

Don Baldwin, our Website Administrator, has put together a graph showing last year's lake levels and how it's doing this year. There are also a

See you on the lake!

Cheers!

Paul

number of innovations on this site. It is also my intention to keep this site up to date, with the latest information available for both members and non-members.

House Raising

Dave and Kathy Jensen have started rebuilding their log home on the lake. One of the big events was placing the logs, which occurred on May 17. I'm pleased to report that two of our members, Jack Bakken & Sid Brugger, generously donated their time and *expertise* to help make this happen.
